

National Spanish Examinations

Virtual Lesson Plans to Practice for the NSE

Class 211

In order to provide students with resources to prepare for the National Spanish Examinations, the test development committee has developed the following lesson for use virtually.

Class 211 – Adjectives Whose Meaning Change Depending upon Position

Goals: After completing this lesson, you will be able to correctly:

- use adjectives whose meaning changes depending on whether they are used before or after the nouns they modify

Para Estudiar

[Adjetivos cuyo significado cambia dependiendo de la posición](#)

Note: You will need a username and password to access the notes.

- username: *estudiante*
- password: *leer*

Para Practicar

[Changes in Adjective Position which Influence Meaning](#)

The exercise will be different each time you access the link.
Make sure that you do the exercise several times for mastery.
