

National Spanish Examinations

Virtual Lesson Plans to Practice for the NSE

Class 370

In order to provide students with resources to prepare for the National Spanish Examinations, the test development committee has developed the following lesson for use virtually.

Class 370 – Mastery of the Present Subjunctive

Goals: After completing this lesson, you will be able to correctly:

- change most verbs (regular, stem-changing, irregular) into the correct form of the present subjunctive according to the subject given

Para Repasar

[Formación del presente de subjuntivo](#)

[Verbos con cambio de radical en el subjuntivo](#)

[Verbos con cambios ortográficos en el subjuntivo](#)

[Verbos irregulares en el subjuntivo](#)

Note: You will need a username and password to access the notes.

- username: *estudiante*
- password: *leer*

Para Practicar Otra Vez

[Formation of the present subjunctive – regular verbs](#)

[Formation of the present subjunctive – stem-changing](#)

[Formation of the present subjunctive – spelling-changing verbs](#)

[Formation of the present subjunctive – irregular verbs](#)

[Mastery of Formation of the Present Subjunctive](#)

These exercises will be different each time you access the link. Make sure that you do the exercises several times for mastery.
